

5 REASONS

to read a Christian newspaper

insight

The secular media often misreport, if they report at all, on the great strides the gospel is making worldwide.

unity

We give concrete expression to the oneness referred to in God's Word, that all true Christians are one in Christ Jesus.

balance

We become more balanced when we are put in touch with an up-to-date overview of what God is doing in our day.

solidarity

We become co-workers with God in this generation as we stand with other brothers and sisters in prayer.

discipleship

We are delivered from parochialism and self-centredness, showing God that we really do care about his kingdom.
